Assistant Auditor-Controller

October 29, 2007

County of Lake is required by Article XIII-A (Proposition 13) of the California Constitution to collect and distribute all property taxes and assessments for its own operation, and for the operation and debt service of the cities, school districts, and special districts within its boundaries. Each rate is the product of the basic 1% rate provided by Article XIII-A, and the debt service of the several governing bodies that are extended over the various tax rate areas represented.

When there is a need for tax information, it is important to know which Public Official to call. Questions pertaining to valuation of property and exemptions should be directed to the Assessor; those pertaining to district valuations, tax levies and rates, or bond issues and requirements should be directed to the Clerk/Auditor-Controller; and those pertaining to the distribution of tax bills, tax payments, redemption of tax defaulted property, and property tax lien sales should be directed to the Tax Collector.

Respectfully submitted,

Pam Cochrane
County Clerk/Auditor-Controller
