

IMPORTANT NOTICE TO OWNERS AND OPERATORS OF FOOD FACILITIES

This notice is intended to help you comply with Section 113725.1 of the California Retail Food Code.

- ◇ Food Facilities must post a notice to advise patrons that the most recent Environmental Health routine inspection report is available for review.
- ◇ Food Facilities must retain a copy of their most recent Environmental Health routine inspection report at the food facility.
- ◇ Display this notice at your food facility in a conspicuous place. The notice must be readable from several feet away by a person with normal vision.

NOTICE:

This facility is inspected by the
County of Lake
Environmental Health Division.

A copy of the most recent Environmental Health routine inspection report is available here for review upon request.
